**Bashir Khan** practices immigration and refugee law in Winnipeg; he himself immigrated to Canada from Pakistan when he was 11 years old. He has acted as legal counsel before all Divisions of the Immigration and Refugee Board of Canada as well as before the Federal Court of Canada and the Federal Court of Appeal.

Bashir believes there ought to be a greater understanding and appreciation of Canadian history, identity and values. In his spare time, he has initiated and partly funded, a multitude of free commemorative events for refugees, immigrants and newcomers so they could learn about Canada and its richly diverse history.

Bashir's work has been recognized in the media as well as by Canada's History Magazine, a national magazine in its June 2018 issue article titled "Connecting with Canada: Community Project Helps Newcomers to Canada Understand their Adopted Country".

**Natanielle Felicitas and Quintin Bart** from Winnipeg, embrace listeners with the deep, rich, and warm tones of cello, double bass, and hurdy gurdy (medieval wheel violin). Since 2018, they have been arranging and performing an eclectic repertoire, including JS Bach, Moondog, and European folk tunes. Regularly seen with the Raine Hamilton String Trio, Natanielle and Quintin weave their uncommon instrumentation together into a thoroughly unique musical tapestry.

**Jubilee Fund** is Manitoba's first and only charitable ethical investment fund. Founded in 2000 as a millennial celebration of debt relief, Jubilee Fund works to reduce poverty by providing flexible financing to projects impacting people living in poverty and experiencing financial exclusion.

We are honoured to have provided flexible financing to over 60 poverty reduction projects in Manitoba which had resulted in:

- 613 low-income daycare spots allowing parents to go back to work or school
- 359 jobs for community members
- 173 newcomers to Canada being assisted with accreditation transfer, professional job training, financial training etc.
- 82 individuals affected by physical and mental disabilities being supported
