

Another Successful RENT GUARANTEE

Join us as we celebrate securing safe housing for a single mother of one in Winnipeg through the Rent

Guarantee Program!

Imagine being a single mother of a child under 10 years old, and your entire home going up in flames unexpectedly. This is the reality for the most recently house strong single mother.

Her story is one of strength. *This mother, became unhoused after a fire at her old residence. This was after a recovery journey that she fought well.* Instead of giving up, she kept moving forward one foot at a time, both in her recovery journey and getting a new place to live for her and her son.

*Due to budget constraints, it was difficult to find a safe apartment that she could afford but **thanks to an incredible landlord that decided to discount rent, she found a beautiful and safe apartment for her and her son.***

With her safely housed, our next goal is to ensure she has the resources she needs to succeed in her new independent housing so she will be able to secure the lease renewal without a guarantor next year. We are so proud of her and all she overcome so far!

Thank you for helping change lives each and every day through your investments and donations!
