

Paid in Full - Rehoboth Christian Centre

Fantastic news as Jubilee Fund is happy to tell you that **Christ Apostolic Church's Rehoboth Christian Centre is now in the Paid in Full club!**

Rehoboth Christian Centre received its \$52,500 loan in 2017, which allowed it to offer numerous services to community members including a food bank, clothing and other support services offered by volunteers. This includes financial coaching and peer counselling to help with settlement challenges. A teens' group also meets regularly to provide youth with an alternative to gangs and to increase their exposure to their culture. Special events provide opportunities for recent newcomers to interact with those that have lived experience in Canada and offer support and community.

Jubilee Fund supported these services through the generosity of Jubilee Fund impact investors and donors, as well as an ongoing and important relationship with founding partner, Assiniboine Credit Union, through which the financial support was arranged.

The Church's congregational community that spearheaded these efforts is comprised of newcomers to Canada from Nigeria, Sierra Leone and Ghana.

Well done Rehoboth Centre on its ongoing efforts to support newcomers and the community on the complete repayment of their loan commitment which is now Paid in Full. It is because of investments from our impact investors, and donations from generous individuals making their resources available to Jubilee Fund, that we are able to assist such organizations in Manitoba whose efforts contribute to poverty avoidance and reduction.
